VIA: Paavo A. Ogren, Deputy Director of Public Works 

DATE: April 2, 2007

SUBJECT: Los Osos Wastewater Project Technical Advisory Committee Meeting Schedule

## Recommendation

It is our recommendation that this Technical Advisory Committee (TAC):

1. Establish a tentative schedule of TAC meetings
2. Receive public comment on issues related to the meeting schedule.

## Discussion

The next TAC meeting is scheduled for the evening of April 9, 2007, in Los Osos. There are two options for meeting locations on that date. A start time of 6:30 pm or earlier was requested at the March 26, 2007, meeting of the TAC. The Los Osos Middle School is available at that time, but requires a set-up fee of approximately \$400 for use of the facility. The South Bay Community Center is not available until 7:00 pm, but the fees are \$20 for use of the room. County staff recommends that the meeting be held at the South Bay Community Center.

Future meetings are tentatively planned for every other Monday at 12:00 pm at the County Government Center in San Luis Obispo, beginning April 23, 2007. Those meetings of especial importance will be held in the evenings in Los Osos and the public will be noticed in accordance with the Brown Act.
